FROM THE PRESIDENT'S CORNER

Greetings CBC Members!

We are now well into the field trial season and our club recently held two very successful events. We held our spring field trial in California City February 5th & 6th and a hunting test February 25th and 26th. Both events were well attended especially the hunt test which was a smashing success that was flooded with entries. I was disappointed at not being able to attend, but I was

out of town most weekends in February. I would like to extend a huge thank you to our dedicated volunteers for organizing these events! Karen Nelson has enthusiastically taken over the organization of our hunting tests and has been very successful. Bill Landress and Linda Langford have been doing fabulous work on the field trials for many seasons. Bill and Linda have decided to step aside and offer the opportunity of running the field trials to other club members. We

all owe them a big thank you for their diligent and long-suffering efforts. We are currently seeking interested club members who would be interested in taking on the responsibility for future field trials. If you are interested, please send an email to any board member.

We are now moving in to the beginning of the busy part of the conformation show season when we start seeing some specialty shows popping up. Re-

LETTER FROM THE EDITOR

Happy Spring!

My goodness!! I mentioned the rain leaving last issue and it decided to REALLY pour... for days and days and days. I'm going to completely stay away from the weather comments from here on out... honestly!

We have great news from the CBC Hunting Test, and the Spring Field Trial. Our members had great times and many successes to share.

There are a couple of notices concerning the CBC Specialty Show, the Awards Banquet and the Willi Match... be sure to mark your calendar with those dates!! These events are always FUN whether you are competing or "spectating." They are social events as well as competitions, and are great get-together opportunities! Always a good excuse to catch up with Brittany friends you don't see except at these events.

Keep those comments coming! We learn from both critical and positive comments from our readers... truly we do. They help to make this a better voice of what the club is about. Thank you for caring enough to send your comments!!

Enjoy the springtime, and those wonderful activities that happen at this time of the year...

Sharon

CBC SPRING FIELD TRIAL - FEB. 5-6, 2005

BY LINDA DIXON

The CBC 2005 Spring Field Trial was held at Castle Butte Wells in California City. We had beautiful weather on Saturday and as we know the weather can change at any time in the desert and it did just that on Sunday. The cold and windy weather and threats of rain greeted us as we began the final day of the trial. A special thank you to the judges, gunners and bird planters for staying the course during the cold, cold day.

The field trial committee would like to thank all of our members for their hard work. As usual, whenever our members are asked to assist in any way, it is done. We would like to thank our bird planters; Ed Dixon, Bill Landress, Linda Dixon and Mark Nunez, Gunners; Ellis Herz, Ed Mayhew and Richard Denham, daily BBQ lunches; Rocky Dennis & Antionette Fabre.

New members, Rocky Dennis and Antoinette Fabre

An additional thank you to Mark Nunez for being right there to do whatever was needed

from bird planting, getting gas for the ATVs to buying the groceries for the next days BBQ...thank you Mark. Jerry Rosenberg drove the dog wagon both days and that was a definite asset in starting each brace on time. Barbara Robben did a great job of calling up the braces and keeping things going.

The club held two raffles on Saturday night during the happy hour.

Dakota Renfree, Katelyn Ford and Madison Renfree helping with the raffle.

Thank you to Katelyn Ford, Madison & Dakota Renfree for selling tickets. As usual

they did quite a bang up job. member, the CBC Specialty Show is coming up at the end of May. Once again it will be held at the Pomona Fairplex, four days of MAJORS! We are again hoping to have an area set aside for us like last year where we were able to groom dogs and hold our membership meeting in relative comfort and peace. I look forward to seeing all you there!

One reminder: The CBC membership list is for the personal use of CBC club members only! Commercial solicitations are not permitted even by club members. Also, you may not release the member list to anyone outside the club without prior written permission. Please respect the privacy of ALL of our members.

Once again, thank you to all of our volunteers who put in many hours organizing, writing and helping with many club activities!

Good luck to all of our competitors!

If anyone has questions about the club or wishes to volunteer for ANYTHING, feel free to email me directly: william.hacker@usc.edu

ABOUT YOUR MEMBERSHIP

One of the objectives of this Newsletter Team, is to publish the membership roster at the beginning of each year. The recent publication brought surprising feedback, and I was asked to share some background.

One of the questions was why are some couples listed and others are not? We thought that was a good question, and thus this article was composed.

The California Brittany Club recognizes three different types of memberships.

1. Active Members, also referred to as "Full" Members, are reflected as F, N or 1 on the Membership Roster. Active membership costs \$30 per year, and entitles the member to receive 12 issues of The American Brittany Magazine. An active member shall be either the owner of a registered Brittany or any person interested in the improvement of the breed, and must be in good standing with the American Brittany Club and the American Kennel Club. An active member is allowed to hold office in either the regional or national club, they may vote, and serve on committees. For those families who have multiple active memberships, but wish to receive only one copy of the magazine, please let ABC know, at the address listed below. Also, if you would like to receive your magazine via first class mail instead of the normal bulk mail delivery, you can submit an extra \$20 per year when you renew. Be sure to specify that you want first class delivery.

2. Associate members are reflected as A on the Membership Roster and costs \$3 per year. An associate membership is recognized in the regional and national organization, but does not receive a magazine, nor do they have the privilege of holding office, but may vote in the regional club on all matters except elective officers. An associate member may be appointed on committees.

3. Honorary Members – Honorary memberships can be awarded "to any person who has rendered notable service to the Brittany breed." A petition, signed by at least 10 active members

and presented at any regular meeting of the club will require a majority vote of the members present at any regular meeting of the club to bestow the honorary status. Honorary membership does not carry with it any obligation of duties or dues. Honorary Members are reflected as H or L on the membership rosters.

Another issue that came up was related to unlisted address information. If you would not like your address and phone number to be listed on the rosters, you should mark the appropriate box on the regional club renewal form (see the back page of this newsletter), or send your request to be unlisted to ABC Membership Data, PO Box 1309, Bellflower, CA 90707 (email: ABCMembership@verizon.net) It seems that some people are unaware that this option has been available, although it has been reported in the fine print on page 3 of the American Brittany Magazine for some time now.

I suspect that an article like this may clear up some questions and raise others, so feel free to forward your questions on to the editor, and we'll do our best to get them answered.

LETTER TO THE EDITOR

Sharon,

This note is in response to your question in the latest CBC Newsletter. Should you be replaced as Editor of our newsletter? Absolutely not!! This newsletter has evolved into one of the most informative and beautiful newsletters in the nation. This was only accomplished through your hard work and that of Myra-Dawn Ellis and Linda Langford. What vision the three of you have.

We have found that when people only have criticism in their hearts, it can become disheartening to those who work so very hard to create beauty and promote not only our club but our breed. It can dampen our enthusiasm and the joy we feel in our accomplishments. After all, we are all volunteers and we all have lives other than the positions we hold in our club. To those who say otherwise, I would suggest that they 'get a life' and find something to do to bring 'joy' into their own life, and not always concentrate on the negative.

We were members of CBC way back when you were the newsletter editor originally. We so looked forward to the Newsletter as a way to communicate with other members as this was 'B.E.' (before email). When you returned to the club and volunteered to start another newsletter we were elated. This newsletter has surpassed the clubs wildest expectations. We know the time and effort it takes to publish this 'work of art.

Please, please do not think of resigning. There is not another person in the club who is so optimistic and well liked and talented who could do the fantastic job that you do.

*Stay with us,
Ed & Linda Dixon*

5. The point year runs from January 1 to December 31.
6. It is the dog owner's responsibility to compile and submit a list of their dog's points to the club secretary. If there is a problem for any member finding the correct number of dogs defeated in any event, the club secretary is the official statistician and has the AKC results publication in which they can look up this information.

MAJOR AWARDS

Show Dog: The Show Dog Award will be determined by the highest total of dogs defeated in the show ring. Dogs and bitches can be awarded points if they place Reserve Winners or better. Futurity Show wins are counted in the same manner as regular show wins, 2nd money winner or better.

Example: Total Brittany's shown was 32; 10 class dogs, 11 class bitches, 7 male champions and 4 female champions.

- Winners Dog gets 9 points (10 class dogs less self = 9)
- Winners Bitch gets 10 points (11 class bitches less self = 10)
- Reserve Winners Dog gets 8 points and Reserve Winners Bitch gets 9 points
- Best of Winners if won by the Dog would add the Bitch entry to his 9 points giving him 20 points. If won by the Bitch she would add the Dog entry to her 10 points giving her 20 points. To those who win Best of Winners when the other class winner takes Best of Opposite Sex over Specials, be sure to add those specials defeated to your total.
- Best of Opposite Sex if won by a Bitch Special gets 14 points (sum of all Bitch entries less self: 11 + 4 – 1 = 14). If won by Dog Special, he gets 16 points (sum of all Dog entries less self: 10 + 7 – 1 = 16). If won by Winners Dog, add the count of male specials to his point total. If won by Winners Bitch, add the count of bitch specials to her point total.
- Best of Breed gets 31 points (sum of all Brittany's less self).
- Group placements (1st thru 4th) get points for total entry of each breed defeated.

Field Dog: The Field Dog will be the highest scoring dog of either the All Age Dog or the Gun Dog. In the event that the dog competes in both categories the scores will be added together.

Dual Dog: The Dual Dog is required to compete and place in both the Field and the Show. At least one-third of the pts must be earned in adult field stakes, one third in the show ring, and the remaining one third may be comprised of adult field or show wins or a combination of both.

Bonus points in the Dual Category: A finished show champion actively competing in the field may add 5 points (in the Dual Category only) for each show it was shown in. If the champion takes BOB or BOS the number of dogs defeated in this show OR the 5 the 5 points (whichever is greater) may be counted for the show – not both.

AWARDS

Field events; There will be three field events; All Age, Gun Dog and Juvenile Dog (to include both Puppy and Derby placements). These events will be calculated as follows:

- 30 minute stakes – 1st through 4th place – Number of dogs defeated. (10 dog stake, 1st place defeated 9 dogs, 2nd place defeated 8 dogs, etc.)
- Hour stakes – 1st through 4th place – Number of dogs defeated times 2 (10 dog stake, 1st place defeated 9 dogs times 2 = 18 points, 2nd place doge defeated 8 dogs times 2 = 16 points.)
- **Other Performance Events:** There will be three performance awards; Obedience, Agility and Hunt Test.
- The Obedience winner will be determined by taking the average of the three highest scores for the year. The dog with the highest average will be the winner. In case of a tie, the highest individual score will be the winner.
- The Agility winner will be determined by adding up all of the qualifying scores and the number of seconds under standard time for those qualifying scores.
- The Hunt Test winner will be determined by awarding points for each qualifying score as follows:
 - o A Junior Hunter earns 5 points for each qualifying score up to a maximum of 20 points in a year.
 - o A Senior Hunter earns 15 points for each qualifying score up to a maximum of 75 points in a year.
 - o A Master Hunter earns 50 points for each qualifying score with no maximum.

Junior Handler: There will be a Junior Handler award in both the field and the show categories.

- The Show Junior Handler points will be tabulated on the number of handlers defeated in Junior Handler events.
- The Field junior will be based on the points earned by the dog(s) handled and they will get a 5 point bonus for every event in which they participated.
- Dual Junior Handler will be determined the same way that the Dual Dog is determined. One-third of the points must be earned in the field, one third in the show and the remaining third can be comprised of field points, show points or a combination of both.

Amateur Handled Dog: This award will go to the dog that earns the most points while being handled by an amateur in an adult field event.

Special Awards: When deemed appropriate a dog or person may receive an award for a particularly special accomplishment. (Examples – OTCH and MACH) This will be decided by a vote of the board of directors. Recommendations for a Special Award should be submitted to the president

Any dog earning a title during the year will also be recognized at the Awards Banquet.

This system of awards will become effective with the 2003 calendar year.

Deadline for submitting score sheets is June 30, 2005

SPECIALTY SHOW
05/30/05 (Monday) San Gabriel Valley Kennel Club

A **General Membership Meeting** will be held at the CBC Club Headquarters on the grounds immediately following the Breed Judging on Sunday, May 29th, we estimate it will be around 12:30pm. The meeting will be followed by a Tri-Tip BBQ & POTLUCK Luncheon with Raffle.

Plan to join us for loads of fun.

ENTRIES CLOSE AT NOON, MAY 11th, so don't delay!

The California Brittany Club is supporting the entry of Brittans all 4 days with special trophies, but our designated specialty is Sunday May 29th. Regular Specialty Show Classes will be judged by Robert H. Slay from North Carolina. In addition to the normal conformation classes, the California Brittany Club will offer a special Field Trial Dog and Bitch Class on Sunday. There is a misprint in the printed copy of the premium lists, so don't let that confuse you. These special classes are only offered on the day of the Specialty. Additionally, we will host both Puppy and Veteran Sweepstakes, judged by Lisa Boyle who many of you may know from her success as a breeder and exhibitor of German Wirehaired Pointers as Lisa Jaffe. Puppies entered in the Puppy Sweepstakes are required to be entered in the regular classes, however the Veterans may be entered in Veteran Sweeps only, allowing our spayed and neutered veterans to compete.

If you are not on the mailing list for premiums from Jack Bradshaw, Dog Show Superintendent, and you would like more information about the Memorial Day Weekend, we encourage you to call them at: 323-727-0136 or visit their website at www.jbradshaw.com

Cindy Leffingwell has put together another delightful selection of prizes to be awarded at the specialty show and Rozanne Woelm has graciously offered to solicit the club members and friends for donations to offset the costs. She is putting a list of donors together for publication in the catalog, so please hurry and contribute. You can advertise your kennel or offer a memoriam. Contact Rozanne by phone at 562-430-8930 or email rwoelm@socal.rr.com or simply send your contribution, made payable to California Brittany Club to 2631 Salmon Dr, Los Alamitos, CA 90720-4927

Details regarding overnight parking and catalog advertising are specified in the Premium List. We encourage you to specify BRITTANY as your main breed to ensure parking as near as possible to the club headquarters. (We won't know where headquarters will be until we get closer to the actual show date, so for the latest information, please monitor our website: www.californiabrittanyclub.org as the event date draws near.)

Day of Show Parking will be \$6, and there is usually an admission fee. Exhibitors should be provided admission tickets with their entry confirmations. If you have a friend or breeder who you suspect may have extra admission tickets, you may want to contact them.
