

California Brittany Club

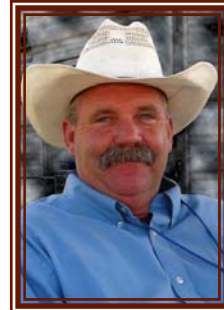

From the President's Corner

I would like to thank all who have stepped up to help CBC hold quality events this past year. I want especially to thank Craig Lewis, Rocky Dennis, and Ed Mayhew for taking the reins for San Diego and Southern San Joaquin Valley field trials. As you all know, a lot of our California

clubs are struggling to keep afloat. They need our assistance to continue if we want to be able to hold quality events (both in the show ring and in the field), so we can continue to qualify dogs from the Western Region for the Nationals. To do that, we need

support from all our club members. So please, support CBC and the other Brittany clubs here in California.

Thank you,
Bill Landress

Letter from the Editor

Happy April everyone!

Lots of wonderful events coming up and we hope you all get out there and participate. Think about being a volunteer to help out with the "putting it on" part. We can always use help with the "work:" part of it. The work usually

turns out to be lots of fun, and a great way to get to know people.

The San Diego Brittany Club is having their Specialty at the Mission Circuit over the Memorial Day weekend. Let's be sure to support their club with our entries.

You voted overwhelmingly for the Kennel

Club of Pasadena, at Brookside Park to be our new venue for the CBC Specialty shows in '07 and '08. This year's show will be held Saturday June 2, 2007. This year is really important as it is our first show in the new venue, and we are setting the stage for two great show events next year. We

California Brittany Club Spring (?) Field Trial

By Karen Nelsen

I have never understood how a field trial held during the month of January can

be deemed a "spring" event. Perhaps it's because wishing will make it so, and we'll have the weather conditions that go with the season to come. You never know!

Weather is always a factor here in Southern California, and mid-January brought with it some of the lowest temperatures recorded since who-knows-when. Those who've lived here most, if not all, of their lives kept making the same comments - that they've never remembered it being so cold. It was all of two degrees the weekend before our trial. What we hoped for was a warming trend that would take us to at least forty degrees! Wishes were granted - we didn't need to deal with the extreme temperatures as the conditions on Saturday were wonderful, however, the wind blasted in on Sunday.

We ended up running a total of 153 dogs over four courses! Thanks to the cooperation of all participants, we encountered minimal conflicts, which were handled in good humor (I tried to keep the smile on my face look as natural as possible!)

Many thanks to my "Assistant", Linda Dixon, for all the help with the drawing, which ended up being extremely complicated, owing to the number of entries. With her great suggestions, we ended up re-arranging the running order, which "un-complicated" the problem immensely, even though we needed to add a couple of judges! Linda was also responsible for getting the terrific

gifts for the judges - always a challenge when it comes to finding useable and practical things that field trialers would appreciate.

The All-Age course was managed by Ed Dixon, with help from Linda planting birds from the ATV. Bill Landress saw to it that the Open Gun Dog course was running smoothly. He and Ellis Herz (Vizsla and GWP person) nary missed a bird between them. Bill Leffingwell set up a new course for the Amateur Gun Dog stake, and this proved to be a most effective change. The dogs could be seen at all times, had numberable objectives, and the gunners, Bill and Charlie Licitra (GWP person), together with bird planter, Cindy Leffingwell, had the dogs showing their mettle. Sheri

Bill Leffingwell, Field Trial Chair and
Karen Nelsen, FT Secretary

Harder and Sabrina Arney got the Puppy/Derby course running in fine shape. We never heard a complaint that there weren't enough birds! In a couple of cases, one more bird was one too many! Special thanks to professional handler/trainers Paul Doiron, Linda

Queen of Raffles, Linda McDonald
doing her thing

Azevedo, and Jim Searles for getting dogs to each course to ensure a smooth running of each stake.

Thanks to Lois Mayhew and Sally Jordan for the great treats and hot coffee each morning, and for the superb tummy-warming lunches each day. The hot chili was wonderful and delicious. Thanks to Bill Landress, and his mobile "Road Kill Café", for the incredibly delectable tri-tip dinner. If you've never sampled Bill's mouth-watering tri-tip, you don't know what you've been missing! Linda Mc Donald, the Queen of Raffles, did it again! We always look forward to whatever items Linda pulls out of her bag!

We really appreciated Judges Bruce Hale, Karla Weber, and Cindy Leffingwell, stepping in at the last minute to help with the Open All Age, the Puppy and Derby stakes, and the Amateur Gun Dog stake. We needed to switch a couple of judges around, and that's where Bruce and Karla jumped in. Cindy filled in for a judge that couldn't come at the last minute. And to Gregg Knight, Genaro and Leslie Vargas, Carl Babb, Terry Erickson, Jimmy Rice, and Lou D'Alessandro who spent long hours in the sad-

dle, we thank you for looking at all the dogs with a keen eye and positive outlook.

Special thanks to Bill Leffingwell for all his support when tough decisions needed to be made. I appreciated his confidence in whatever action I took, especially when entries kept coming and coming and coming! Mea culpas if I forgot anyone...my brain is just now returning to normal!

California Brittany Club and San Diego Brittany Club Hunting Test, FEBRUARY 24 AND 25, 2007 By Linda McDonald

The California Brittany Club and San Diego Brittany Club, chaired by Karen Nelson and Mary Brown, jointly held their spring hunting tests together, allowing participants four tests open to all pointing breeds in one weekend! Veteran hunt testers along with many newcomers enthusiastically ran their dogs on Saturday, enjoying the near perfect temperatures in the low 70's. The Brittany entered made a fine showing. San Diego Brittany Club hosted a delicious lunch of charbroiled hamburgers cooked by Rocky Dennis. We topped off the day with Bill Landress' mouth-watering tri-tip dinner and enjoyed the great company around the campfire. Judges Kent Forbush and Zack Miller from Utah, along with Bill Landress and Leslie Troncale demonstrated a wonderful eye able to gauge the dog's natural hunting ability and training. Gunners Charlie Lucitra, Bob Woelm, Tom Clare and a host of volunteers who stood in for a gunner unable to make it at the last minute worked hard planting birds and gunning. In CBC's first test of the weekend Marshall Myra-Dawn Ellis finished her master hunter title on her Brittany, KT. KT then thoroughly enjoyed herself being set up on point numerous times for the honor in the master call-backs. The day was enjoyed by all.

However, by the wee hours of Sunday morning, the desert winds had started to howl. They blew furiously through Sunday, at times blowing quantities of dust. It even blew a few handlers off balance! But the hunt test went on. The California Brittany Club hosted a lunch of Bill Landress' savory tri-tip sandwiches. Secretaries Linda McDonald and Laurie Blanton gathered the paperwork inside of our stout little club

tent and kept the test moving. Judges Pennie Peterson, Lou D'Allessandro, Carl Babb and Nancy Rapoport tenaciously gritted their teeth (with plenty of grit inside already) and rode tirelessly through the gale. Their determination to give every dog a chance to show their hunting ability never ceased. The gunners from Saturday gave us another day of unceasing effort in both bird fields despite the truly horrible weather. The handlers all showed up and braved the elements to run their dogs. The dogs, of course, loved it!

The events all ran smoothly thanks to the hard work by marshalls, Myra-Dawn Ellis and Laurie Blanton, along with committee members Bill Landress, Beverly Bemis, Bruce Blanton, Rocky Dennis and Antionette Fabre.

Celebration of Life

MIA MERLOT ON THE GO, MH
January 12, 1993- March 15, 2007

Fondly known as "Momma Mia", Mia started out as a Parvo puppy at Northside Veterinary Clinic and came home to change our lives. She was our "foundation" bitch even though she never had any puppies. Mia got us started in the dog/field trial game. She always had a bark or a growl for everyone but she was the most devoted and loyal friend a person could ever ask for. Mia was the leader of the pack at the Horstmeyer-White household and she will be greatly missed!

Meet the Breed

Meet the Breed at the 2006 Eukanuba tournament of Champions held on December 3 and 4, 2006 was a rousing success by all accounts. Chairperson, Linda McDonald, with her supportive and creative team of Rozanne Woelm, Sharon Kalionzes, Helen Harbour, Nancy Hewitt and Tony Avedisian all raided their closets and collections of Brittany memorabilia to represent the dual nature of our breed. With Nancy's beautiful and colorful Brittany tapestry as a background, we decorated the booth with Bob Woelm's hunting and field trial gear, including his prized classic replica of a 4/10 double barrel shot-

gun (which is a cap gun)! We added his stuffed trophy quail and chukar, surrounded by fall foliage to create the Brittany's favorite locale: a fall hunting scenario. Squeaky, toy game birds in an autumn basket placed upon Linda's tapestry tablecloth, Sharon's embroidered quilt, and numerous pillows with Brittanys completed the picture. Lynda Evan's Brittanys on the Eukanuba dog food bags were included as extra, eye-catching wall décor. Photos sent by Karen Stout were presented on poster board to emphasize the versatility of our breed.

A stack of ABC magazines and many of our California Brittany Club and San Diego Brittany Club newsletters were offered to an interested crowd. The display was thoroughly eye-catching, however, the true stars of the booth were the Brittanys who enjoyed taking center stage to greet the public. Those ambassadors of our breed were: "Luke" CH Loki's Blizzard of Mischief, "Risa" CH Windsong's Time Of My Life, "Ellie" CH Swift Rivers Destiny's Child JH NA NAJ and a 6 month old puppy, "Ticker" Hope's Every Heart Beats True.

The volunteers in the booth enjoyed describing our breed to the visitors and answering the many questions asked. Breaks were taken several times as our dogs participated in the pointing dog demonstrations provided on site by the AKC. Eukanuba's Meet the Breed was truly a wonderful experience for the volunteers and the public!

- Winners Bitch gets 10 points (11 class bitches less self = 10)
- Reserve Winners Dog gets 8 points and Reserve Winners Bitch gets 9 points
- Best of Winners if won by the Dog would add the Bitch entry to his 9 points giving him 20 points. If won by the Bitch she would add the Dog entry to her 10 points giving her 20 points. To those who win Best of Winners when the other class winner takes Best of Opposite Sex over Specials, be sure to add those specials defeated to your total.
- Best of Opposite Sex if won by a Bitch Special gets 14 points (sum of all Bitch entries less self: 11 + 4 - 1 = 14). If won by Dog Special, he gets 16 points (sum of all Dog entries less self: 10 + 7 - 1 = 16). If won by Winners Dog, add the count of male specials to his point total. If won by Winners Bitch, add the count of bitch specials to her point total.
- Best of Breed gets 31 points (sum of all Brittany's less self).
- Group placements (1st thru 4th) get points for total entry of each breed defeated.

Field Dog: The Field Dog will be the highest scoring dog of either the All Age Dog or the Gun Dog. In the event that the dog competes in both categories the scores will be added together.

Dual Dog: The Dual Dog is required to compete and place in both the Field and the Show. At least one-third of the points must be earned in adult field stakes, one third in the show ring, and the remaining one third may be comprised of adult field or show wins or a combination of both. Bonus points in the Dual Category: A finished show champion actively competing in the field may add 5 points (in the Dual Category only) for each show it was shown in. If the champion takes BOB or BOS the number of dogs defeated in this show OR the 5 points (whichever is greater) may be counted for the show – not both.

AWARDS

Field events: There will be three field events; All Age, Gun Dog and Juvenile Dog (to include both Puppy and Derby placements). These events will be calculated as follows:

- 30 minute stakes – 1st through 4th place – Number of dogs defeated. (10 dog stake, 1st place defeated 9 dogs, 2nd place defeated 8 dogs, etc.)
- Hour stakes – 1st through 4th place – Number of dogs defeated times 2 (10 dog stake, 1st place defeated 9 dogs times 2 = 18 points, 2nd place dog defeated 8 dogs times 2 = 16 points.)
- **Other Performance Events:** There will be three performance awards; Obedience, Agility and Hunt Test.
- The Obedience winner will be determined by taking the average of the three highest scores for the year. The dog with the highest average will be the winner. In case of a tie, the highest individual score will be the winner.
- The Agility winner will be determined by adding up all of the qualifying scores and the number of seconds under standard time for those qualifying scores.
- The Hunt Test winner will be determined by awarding points for each qualifying score as follows:
 - o A Junior Hunter earns 5 points for each qualifying score up to a maximum of 20 points in a year.
 - o A Senior Hunter earns 15 points for each qualifying score up to a maximum of 75 points in a year.
 - o A Master Hunter earns 50 points for each qualifying score with no maximum.

Junior Handler: There will be a Junior Handler award in both the field and the show categories.

- The Show Junior Handler points will be tabulated on the number of handlers defeated in Junior Handler events.
- The Field junior will be based on the points earned by the dog(s) handled and they will get a 5 point bonus for every event in which they participated.
- Dual Junior Handler will be determined the same way that the Dual Dog is determined. One-third of the points must be earned in the field, one third in the show and the remaining third can be comprised of field points, show points or a combination of both.

Amateur Handled Dog: This award will go to the dog that earns the most points while being handled by an amateur in an adult field event.

Special Awards: When deemed appropriate a dog or person may receive an award for a particularly special accomplishment. (Examples – OTCH and MACH) This will be decided by a vote of the board of directors. Recommendations for a Special Award should be submitted to the president. Any dog earning a title during the year will also be recognized at the Awards Banquet.

This system of awards will become effective with the 2003 calendar year.

Deadline for submitting score sheets is June 30, 2007
