

California Brittany Club

ON POINT

Letter from the Editor

By Sharon Kalionzes

Hello all!

Fall is fast upon us and we're looking forward to those crisp mornings and the gorgeous color changes to come in the trees. Hunting and field trial season is starting! Good luck to all, and we hope there will be some new Field Champions and Dual Champions earning their titles this season. To any of you going to Arkansas and the Brittany Nationals in November ... very best wishes for a wonderful Thanksgiving trip, success in the field, conformation and Obedience competitions that are offered.

Speaking of Fall/Winter ... Rozanne Woelm and Helen Harbour have a few GREAT gift ideas that Brittany lovers will want this holiday sea-

son!! CBC, as we know, is hosting the ABC Summer Specialty show in May of '08 and Rozanne and Helen have chosen, and designed, a great sweatshirt, tee shirt and a nifty canvas tote with zipper closure top in our ABC Summer Specialty beach logo! The qualities of the products are great, and are embroidered by Jacquie, as our special award items have been. What great gifts, and we get first chance to buy them! Get in touch with either Rozanne or Helen and get your order in.

Sabrina Arney and Rozanne also have CBC Trophy Donation sign up sheets for our Specialty show happening in May. The class trophy selections are filling up fast for sponsorships, so get in touch with either of them to sign up for the trophy you'd like to sponsor.

Nancy Hewitt and Myra-Dawn will be having sign up sheets for Trophy Donations for the Summer Specialty

show.

If there is a class you'd really like to sponsor ... be sure to get in touch with Nancy (as Myra-Dawn is on a "little field trial vacation") and she'll be happy to put your name down for your favorite class win or placement. Don't need to send the \$\$ now ... they'll send out reminders if you'd like in early '08.

Just a reminder ... please send me brags on your dogs' wins and title finishes. If we don't hear, we can't print it! We want brags for field, show, obedience, agility, hunting test ... everything. Planned breedings, new litters of pups, remembrances of dogs who have died ... let me know ... and let me know when they happen! I have a file to save them ... so don't wait to send. Do it when you win! I'll save it, and put it in the next issue.

Have a great Fall!
Sharon

California Brittany Club Award's Banquet

By Rozanne Woelm

The CBC loves to honor its members and their dogs ... every chance we get. Sunday, July 22 was definitely one of those days. McKenna's on the Bay was the venue selected to hold the annual CBC 2006 Awards Luncheon. The beautiful "Balboa Room" overlooking Alamitos Bay provided the cool breezes and friendly ambiance to set the stage for great food, drinks and fellowship. We, of course, had LOTS of "Congratulations" and "Jobs Well Done" to go around. CBC has been really busy this past year and is proud of ALL the accomplishments its members have achieved.

"Jobs Well Done" went to: **MTB Emme's Cabo de Scipio** and **MTB Cabo Rita de Scipio** along with owners Margaret Horstmeyer & Tom White. **Redline Aurora**, **FC Redlines Tequila Moon**, **FC AFC Redline Tequila Twist** and **DC AFC Redlines Tequila Smoker** as well as owners Bill & Cindy Leffingwell. **Craig Lewis & AFC I M A Birdfindin' Babe**, **Megasmoke Grand Finale** & **Myra-Dawn Ellis**, **Buckaroo's Candy Dee-Lite** and **FC Tule River's Traveling Sam** for owners Barbara & Jerry Rosenberg, **Redlines Smokin' Gun** with his owners Sheri & Duane Harder and **FC AFC Shiloh's Man About Town** with his owner Linda McDonald.

"Congratulations" were extended to: **CH Swift River's Flashback In Time** & co-owner Katelyn Ford, **CH Mega Chip** & owners Tom White and

Margaret Horstmeyer and **CH Castle's Sleeping Beauty Zoi & Joe Ramondetta** for their newly completed Show Titles. New Field Champions are **FC Oxbow's Bounty Hunter** owned by Don & Margaret Waite and **FC AFC Megasmoke Limited Edition** owned by Tom White & Margaret Horstmeyer. **CH Burford's What Was I Thinking JH** owned by Lynda Evans & Katelyn Ford for earning her Junior Hunter title.

"Special Accomplishments" were earned by: **DC AFC TJ's Single Shot of Scipio** for being Runner-Up 2006 ABC All Age National Championship, owners T. White & M. Horstmeyer, **FC Oxbow's Bounty Hunter** owned by Don & Margaret Waite - Winner of 2006 ABC Chukkar Championship, **Shady's Price Is Right** - 3rd 2006 Western Open Shooting Dog Championship and owners Rocky Dennis & Antonette Fabré. **MVP Shiloh's toughactto-follow JH** won the Western Futurity Gun Dog 2006 for owner Karen Nelsen, **FC AFC Megasmoke Limited Edition** won the Western Futurity Open All Age 2006 - owners Tom White & Margaret Horstmeyer and **I M Noble T** won the Dual Dog 2006 Western Futurity with owner Craig Lewis.

"CBC Dog of the Year" winner in each category received a lovely dog paw motif afghan embroidered with a Brittany Head, the name of the award and the year. They are:

AGILITY

CH Swift River's Destiny's Child JH NA NAJ. "Ellie", with limited

outings in 2006, managed 3 placements with a 1st place among them. She is trained and handled by Sharon and owned and loved by Sharon & Bill Kalionzes.

HUNTING TEST

CH Remington's Rusty Ridge QTKT "KT" earned 5 Master Hunter legs in 2006. Myra-Dawn Ellis very excellently handled her to her wins. Dale and Myra-Dawn Ellis own her.

JUVENILE

FC I M A Pocket Rocket. "Rocky" was owner handled by Craig Lewis

and earned 7 Juvenile placements, 3 of them 1st during the 2006 season. He earned a 2nd in the Western Futurity 2006 All Age, as well.

ALL AGE & AMATEUR HANDLED

DC AFC Terra's Cabo Wabo.

"Sammy" had numerous field place-

ments in 2006 and was the cover dog in the May 07 issue of The American Brittany. He was afforded this honor because he was the ABC Dual Award Winner for 2006 at the ABC Nationals.

"Sammy" garnered a 3rd place in the Nat'l Amateur All age and a 3rd place in the highly competitive Field Trial Class at the 2006 Nat'l Specialty Show. Amateur Tom White handled him in the field. Margaret Horstmeyer and Tom White are his proud owners.

GUN DOG & FIELD DOG

FC Quail Rock Tough Enough.

Most of us know him as "King". How

fitting the name, as he has won and/or placed in 11 Gun Dog and Open Limited Gun Dog Stakes during the 2006 season. With five 1st places he truly is the "King" of the Gun Dog Stakes. He is owned by Ellen Weinfurter and handled by Paul Doiron. Scouted by Peggy Doiron when necessary.

JUNIOR FIELD HANDLER & JUNIOR SHOW HANDLER

Katelyn Ford earned the first of these 2 awards by handling "Crissy", whom she co-owns, to 2 of her Junior Hunter Test legs. She put a JH title on "Ashley" whom she also co-owns with member Lynda Evans. In the show ring she earned 3 "Best Jr. Handler" awards and earned a show title on "Crissy".

SHOW DOG

CH Loki's Blizzard of Mischief.

"Luke" who is co-owned by members

Linda McDonald, Tony Avedissian and Nancy Schneider won 10 Best of Breeds within 5 months of showing as well as a Group 2. He was #20 Brittany AKC Top Dogs Using Breed Totals in 2006. The rest of his year was spent in the field. He was handled by one of his proud owners, Linda McDonald.

DUAL JUNIOR HANDLER

Katelyn Ford was a very busy girl in 2006 (see Jr. Field & Jr.

Show). While handling her dogs to their successes she went to school and on week-ends worked for a variety of professional handlers on the show circuits. Katelyn's plans include college as well as the handling of dogs. The CBC is proud of her accomplishments.

DUAL DOG AWARD

CH Remington's Rusty Ridge QTKT "KT", as she is known, had 5 field

trial placements, 5 qualifying scores for her MH title and a Best of Opposite Sex in the show ring for 2006. She is close to completing her field and amateur titles. KT is owned by Dale & Myra-Dawn Ellis and lovingly handled by Myra-Dawn.

I want to thank my committee, of which I could NOT do without. Myra-Dawn Ellis for the beautiful

collage that was on display AND the great ad you will see in an upcoming issue of American Brittany (probably Oct.). Cindy Leffingwell for the help with the beautiful "Dual Awards", Sharon Kalionzes for the "Tidbits" given to our beloved Britt's, Rich Harbour for photogra-

phy and the "Certificates of Accomplishment" presented to each participant, Helen Harbour for helping with anything I asked for (and it was considerable) with a smile and much moral support. Last but not least, my husband Bob, who was patient through a whole year of planning, collecting, storing

and never-ending (so it seemed) decisions and details, not to mention all the little last minute, unforeseen, things that crop up. THANK YOU ALL SO MUCH!!!

For those of you that are not familiar with our "Annual Awards Luncheon" or have just not taken the time to attend, please ... look at the collage in this newsletter. CBC members with their family and friends coming together to celebrate each others successes and displaying such camaraderie is what makes our club and this event so special. You don't have to turn in points towards the awards to join in but ... should you be interested in that aspect of it, ask any member, they can help you learn what it is all about and how to tabulate your points for 2007.

Hope to see you all next year!
Rozanne

Remembrances

It is with great sadness that we announce that we had to put Jack down

Thursday, July 5th, 2007. He suffered from a tumor on his throat area that was restricting his

breathing and other issues. He was with Tom White and Margaret Horstmeyer when he passed away. My thanks to them. They have been so very kind to our family. It is much appreciated.

I know Jack wasn't the friendliest guy in town, but he was our "protector." Blessings, The Renfree's

From the President's Corner

By Bill Landress

First of all I would like to welcome all the new members to the CBC and to

thank everyone who has devoted a lot of time and effort to help make the CBC the best Brittany club I have been a member of.

It's been a very busy year, and next year will be even busier with the CBC hosting the ABC Summer Specialty show at the Mission Circuit. Sharon Kalionzes and her committees have taken the "bull by the horns" to put it all together. I also would like to give a big thank you to Myra-Dawn Ellis for our great web

site and who teams up with Sharon for our newsletter. We can't forget all the work Karen Nelsen and Linda McDonald do bringing us the fall and spring field trials and hunting tests.

I would like to thank Sheri Harder for stepping up as the president for next year, Sheri is a tireless worker at our field trials, hunting tests and specialty shows. She has more energy than anyone I know, and I get tired just watching her (ha-ha).

For me next year will be real busy. Ellis Herz and I will be hosting the AKC National Gundog Championships which consists of a 1 hour non re-

trieving stake and a 2 series retrieving stake shooting first bird on course. The event will be held at the Red Rock grounds in Reno NV the first part of May 2008.

As most of you know Gordon Theilen has been representing the western clubs for several years as our regional director to the ABC, he has asked if I would accept a nomination to run for this position. I feel that I have a good understanding of the problems we face as field trialers and hunters and will do my best to help all our clubs in any way I can, so we can continue to enjoy holding and participating in quality and successful events.

A Tribute to Talented Trainers

By Sheri Harder

I first met Paul and Peggy Dorion when I started attending field trials just for the good company and camping experience. I didn't know much about running dogs - I didn't even own a pointing dog. But I loved riding, so chasing dogs through the desert on horseback sounded like a lot of fun to me! I tagged along with Bill and Cindy Leffingwell and in doing so, met a fabulous group of people who have become an integral part of my life.

Bill and Cindy bred their field champion Redlines Tequila Smoker "Smokey" to their bitch Redlines Till Tomorrow "Tilly" in 2005, and after all the pups went home, all that was left was a roly-poly male nicknamed Smokey Link because he was so ROUND! Cindy asked me if I wanted him, and although hesitant at first, I figured, "What the heck. This way I'll have something of my own to chase around the desert." So, Redline's Smokin' Gun "Colt" came home and I promptly began making every mistake in the book: I let him run free at the ranch; I let him eat too much; I let him sleep in bed with me...you name it, I did it - WRONG!

Thank goodness that Paul and Peggy agreed to take Colt into their training program in June 2006 after I somehow successfully earned him his Open Puppy and Open Derby points. The first thing Paul said to me when I talked to him was, "Did you ever discipline this dog?" "Nope," I replied, "I left that for you to do!"

His first time on the ground after spending just three months under Paul's tutelage, Colt took a first in Open Gun Dog and won a 5 point major! No one could believe that the same roly-poly puppy who had no discipline accomplished such a feat, but that is what is so wonderful about Paul and Peggy. They somehow manage to bring out the best in so many of the dogs that they

train. Time after time, I've heard people say how it was Paul who force broke their dog, or it was Paul who handled their dog to their field championship. If a dog has any potential talent as a hunting dog or field trialing dog, Paul knows how to bring it out.

Paul is an exemplary trainer; he has an incredible work ethic and works or

roads all of the dogs on his line almost daily. Owners never doubt that they are getting their money's worth when they see the shape their dogs are in after spending just a couple of months with Paul. He is passionate about what he does for a living and it is amazing to watch how all the dogs on his line snap to attention when he comes out of his trailer, especially if they have been barking at a stranger going by! And Peggy Dorian is the field trialing scout extraordinaire; she can charge up a hill and locate a dog faster than anyone I know, and together they rarely lose a dog because of Peggy's incredible talent for keeping track of them on the field.

Remember that roly-poly puppy that I spoiled? It broke my heart when I sent him off to training. All I did was think about him sitting in a cold kennel without the comfort of his mom and dad in

bed with him at night. Then my fears were put to rest. The first time I was allowed to visit him, Colt was all excited to see me UNTIL Paul showed up; then it was "Sheri who?" Obviously, it isn't all about discipline at Paul and Peggy's Place. These dogs love Paul and they do a special brand of spoiling too - don't forget the cookie every night at bedtime!

This year, Paul and Peggy had over 24 dogs in training. Typical of every field trialing season, Paul and Peggy ran a dog in almost every Open Puppy, Open Derby, Gun Dog and All Age stake. They were in the saddle from dawn until dusk and never faltered in providing the same time and attention to each and every dog. That is what impresses me so much about these two - their sportsmanship and style are legendary! Together, they have earned dozens of dogs their field championships. This year alone, Paul finished several dogs including that roly-poly puppy who had long since blossomed into a sleek, muscled, big running, gun dog! It still amazes me to think of what Paul accomplished with Colt in just one season. He is now a field champion and if all goes well in the next few months, he will earn his show points and become another Dual Brittany.

I want to take this time to publicly thank Paul and Peggy for their continued hard work and dedication to the Brittany world. They have taken many young inexperienced pups and finished them into world class champions. Their humble spirits and good sportsmanship go without saying. If there was a Handler/Trainer Award in the AKC, I would certainly nominate them for it! But Paul and Peggy probably wouldn't get that excited about it - as we in the CBC know, they are in this for the dogs and not for all the flash and glory. That's what makes them so special. 🐾
