What's Your "Q" Quotient? By: Karen Nelsen

The AKC's DNA programs have resulted in an unprecedented level of accuracy to the AKC registry by evaluating the parentage of many AKC dogs and litters. However, for that very small percentage of registered dogs that are found, often years after birth, to have an unknown ancestor, the AKC has canceled the registration.

To maintain genetic diversity, improve customer relations, and still maintain the accuracy of the registry, the Board of Directors approved the concept to allow the issuing of *Conditional* registration certificates and pedigrees, rather than canceling the registrations of a dog, all of its littermates and all of their progeny in these cases.

What is a Conditional Registration and Pedigree?

When an unknown parentage is indicated via DNA testing, the status of the registration will be downgraded to "conditional" un-

til a three generation pedigree is established. "Unknown" will be noted on the registration or pedigree for the ancestor in question. This will only occur in cases where the dogs are believed to be purebred, but a registered parent is found to be incorrect.

The documents will have a different colored border and will be labeled as Conditional. A new registration number will be issued similar to those we are familiar with, however, the number will begin with a "Q."

Dogs with a Conditional Registration number are allowed to participate in AKC field trials, but not conformation events, if they have a DNA profile recorded with the AKC SNA database. Any previous titles earned in these events will be removed from the dogs' record. This became effective July 1, 2010.

Per Arlene Walker, Editor of the *GSP Chroni-*

cle, "Many of the people I have spoken with were not aware of this type of registration. Because a stud dog is not required to be DNA'd until he has produced either seven litters or three litters in one year, there could be many generations on the ground before the problem is discovered. I would encourage all of you to be sure your dogs are DNA'd prior to breeding and be sure that, at least, the stud dog you are breeding to has been DNA'd."

Per AKC's "Frequently Used Sires" requirement, many dogs are DNA profiled when they are three or four years old and have sired seven or more litters.

Several questions arise: Should the profiling be required prior to a certain age? Should it be required with the first breeding? Why wait until the dog has sired at least seven? What happens when a litter is produced by a sire under the age of two?

Spring Field Trial

By Karen Nelsen

The Spring 2011 Field Trial Season kicked off with a flurry of events beginning in Southern Arizona. Both the Sahuaro and Greater Phoenix Clubs got the ball rolling with weekend trials and a one-hour all age stake thrown in for good measure.

New Field Champion
MVP/Redline's High Octane, JH

Then it was off to Southern California for the San Diego and CBC trials. Sandwiched between both was the ABC Western Futurity and the Chukar Classic Championship. Needless to say, we were all left exhausted!

We started 148 dogs, fifty-one of which were in the Open Gun Dog stake. Thanks to Judges Casper Pigman and Don Dalton for spending three full days in the saddle! Gregg Knight was able to step in at the last minute to replace Steve Reynolds, who was taken ill. And Pierre Uruttia helped out with judging the AAA stake when we had to switch judges. The Amateur Gun Dog stake had 27 starters. By taking Second Place, Ed Dixon's *Scipio's Micro Twist* (Skeeter), finished his Amateur Field Champion title. We were delighted to have 12 starters in the Open Puppy stake, as many club's have had to cancel this stake owing to lack of entries.

Our resident "EMT" Sheri Harder got Jerry Rosenberg to Ridgecrest Emergency services, when Jerry was suddenly taken ill. Sheri's Ambulance Service got Jerry back to camp about 2AM. Thanks for your dedication, Sheri, in helping get Jerry taken care of. Unfortunately, Rosenbergs left early Saturday morning to get Jerry back home to Prescott and tended to by his doctors.

Thanks to Bill Landress for the fabulous dinner (it was great to sample Bill's "Roadkill" fare again). Thanks to everyone else who jumped in to help prepare the ever-needed morning coffee and munchies, the lunches, and everything else. Our volunteers can't be thanked enough.

We're getting better, and faster, at setting up the tent. Thanks to our "all-breed" contingency for pitching in to get camp set up. Our "course managers" do a great job in getting each course set up with flags, water, and seeing to our judge's needs. Thanks also to Mary Reynolds from Loyall Pet Foods for sponsoring prizes for First and Second place dogs. Your support is truly appreciated.

A true evaluation of a club's dedicated workers is who's there to help break up camp on Sunday afternoon!!!! You should have seen the team work shown taking down the tent in the gale force winds! Luckily, no one got blown away! Thanks to everyone who helped! Thank you to our judges who donated their time and expertise in evaluating the competitors. Congratulations to all the winners!

ABC Western Futurity

CBC played host to the American Brittany Club's Western Futurity. The event was chaired by Mark Nunez. Sandwiched in between the San Diego and CBC Field Trials, the event drew a very nice entry in both the Show side and the Field Trial side.

The trophies for the event were hand painted Brittanys on Pennsylvania slate by Michigan artist Gail Richardson. Each was an original and something to be prized by the winners.

In Loving Memory

Dale came home one day after a hunting trip and waved the bird he shot at me saying, "It took hours for me to find this bird. I want a dog to do the work for me." So the quest began and Remi came into our family to be the hunting companion for Dale. Little

did we realize how much she would change our lives. Our social calendar filled with even more dog related activities ... obedience, gun dog training and even showing her off in the breed ring. Once a breed champion we searched for the perfect boy for her. We kept two of her daughters and had high hopes to make them Dual dogs. We had been

bitten by the bug. Remi never ran at field trials but she was the hunting dog that Dale wanted. They went to the first day of pheasant season in Kansas and Dale called me excited about her work. She was a big hit with the hunters because she retrieved all the downed birds for everyone that day.

Remi's with Dale now and I am sure he is happy that they can go hunting together again. They are missed.

Tattle Tails...

From the Dixon Camp

Scipio's Micro Twist (Skeeter) finished his Field Championship. Kiger Hills Louee (Louee) won the San Diego Club's AAA stake for his Brittany major! Mini's Midnite Smoke (Chip) is recovering from Valley Fever.

From the Kearney Camp

Ch Liza's Angel Gets Her Wings handled by Kathy Grayson.

"Hootie" finished her bench title this past December. Doreen and Tom thank Rodger and Kathy for their patient and great handling! Doreen also wants to thank everyone who helped them with training, grooming and encouragement!

News from the Millers

At the Palm Springs Kennel Club Show on January 8th, Molly received her 25th point and was awarded her Grand Champion title!

Grand Champion TK's Good Golly Miss Molly, owned by Dena and Carl Miller.

Nelsen News

MVP Redline's High Octane, JH finished his Field Championship at the Sahuaro Brittany Trial in Southern Arizona in January. "Tiger" also won the San Diego Club's and CBC's All Age Stake. While on the Western Circuit with Paul and Peggy Doiron, Tiger won the All-Age stakes at the Whid Isle and Inland Empire Trials.

Condolences to the Doiron Family on the loss of Peggy's Mom, Averil Marie Croft.

Congratulations

To Mary Reynolds, our wonderful Loyall Pet Food

representative on the arrival of Tyler Lucas Reynolds on January 5th. The baby weighed 7 lbs-14 oz. He's a whopping 20 inches long! Congratulations to Mary, and her husband on their recent arrival!

CBC ANNUAL AWARDS RULES

Eligibility:

Only Brittany's are eligible

Points may be earned in the following events:

American Kennel Club licensed shows, field trials, hunt tests, obedience trials and agility tests occurring in the Western region as laid out by the American Brittany Club.

American Brittany Club licensed events occurring in the Western region as laid out by the American Brittany Club.

The American Brittany Club Nationals. (National All Age, National Amateur All Age, National Gun Dog, National Amateur Gun Dog, National Specialty, National Summer Specialty and National Obedience trial.

American Field trials – Within the ABC Western Region (NASTRA trials are NOT included.)

Designated California Brittany Club events (Willi Match and Club Championship Fun trial).

The highest point total in each category determines the winner.

- The dog must be owned or co-owned by a member or associate member of the CBC, or a minor member of their immediate family.
- The point year runs from January 1 to December 31.
- It is the dog owner's responsibility to compile and submit a list of their dog's points to the club secretary. If there is a problem for any member finding the correct number of dogs defeated in any event, the club secretary is the official statistician and has the AKC results publication in which they can look up this information.

MAJOR AWARDS

Show Dog: The Show Dog Award will be determined by the highest total of dogs defeated in the show ring. Dogs and bitches can be awarded points if they place Reserve Winners or better. Futurity Show wins are counted in the same manner as regular show wins, 2nd money winner or better.

Example: Total Brittany's shown was 32; 10 class dogs, 11 class bitches, 7 male champions and 4 female champions.

Winners Dog gets 9 points (10 class dogs less self = 9)

Winners Bitch gets 10 points (11 class bitches less self = 10)

Reserve Winners Dog gets 8 points and Reserve Winners Bitch gets 9 points

Best of Winners if won by the Dog would add the Bitch entry to his 9 points giving him 20 points. If won by the Bitch she would add the Dog entry to her 10 points giving her 20 points. To those who win Best of Winners when the other class winner takes Best of Opposite Sex over Specials, be sure to add those specials defeated to your total.

Best of Opposite Sex if won by a Bitch Special gets 14 points (sum of all Bitch entries less self: $11 + 4 - 1 = 14$). If won by Dog Special, he gets 16 points (sum of all Dog entries less self: $10 + 7 - 1 = 16$). If won by Winners Dog, add the count of male specials to his point total. If won by Winners Bitch, add the count of bitch specials to her point total.

Best of Breed gets 31 points (sum of all Brittany's less self).

Group placements (1st thru 4th) get points for total entry of each breed defeated.

Field Dog: The Field Dog will be the highest scoring dog of either the All Age Dog or the Gun Dog. In the event that the dog competes in both categories the scores will be added together.

Dual Dog: The Dual Dog is required to compete and place in both the Field and the Show. At least one-third of the points must be earned in adult field stakes, one third in the show ring, and the remaining one third may be comprised of adult field or show wins or a combination of both.

Bonus points in the Dual Category: A finished show champion actively competing in the field may add 5 points (in the Dual Category only) for each show it was shown in. If the champion takes BOB or BOS the number of dogs defeated in this show OR the 5 points (whichever is greater) may be counted for the show – not both.

AWARDS

Field events: There will be three field events; All Age, Gun Dog and Juvenile Dog (to include both Puppy and Derby placements). These events will be calculated as follows:

30 minute stakes – 1st through 4th place – Number of dogs defeated. (10 dog stake, 1st place defeated 9 dogs, 2nd place defeated 8 dogs, etc.)

Hour stakes – 1st through 4th place – Number of dogs defeated times 2 (10 dog stake, 1st place defeated 9 dogs times 2 = 18 points, 2nd place dog defeated 8 dogs times 2 = 16 points.)

Other Performance Events: There will be three performance awards; Obedience, Agility and Hunting Test.

The Obedience winner will be determined by taking the average of the three highest scores for the year. The dog with the highest average will be the winner. In case of a tie, the highest individual score will be the winner.

The Agility winner will be determined by adding up all of the qualifying scores and the number of seconds under standard time for those qualifying scores.

The Hunting Test winner will be determined by awarding points for each qualifying score as follows:

- A Junior Hunter earns 5 points for each qualifying score up to a maximum of 20 points in a year.
- A Senior Hunter earns 15 points for each qualifying score up to a maximum of 75 points in a year.
- A Master Hunter earns 50 points for each qualifying score with no maximum.

Junior Handler: There will be a Junior Handler award in both the field and the show categories.

The Show Junior Handler points will be tabulated on the number of handlers defeated in Junior Handler events.

The Field junior will be based on the points earned by the dog(s) handled and they will get a 5 point bonus for every event in which they participated.

Dual Junior Handler will be determined the same way that the Dual Dog is determined. One-third of the points must be earned in the field, one third in the show and the remaining third can be comprised of field points, show points or a combination of both.

Amateur Handled Dog: This award will go to the dog that earns the most points while being handled by an amateur in an adult field event.

Special Awards: When deemed appropriate a dog or person may receive an award for a particularly special accomplishment. (Examples – OTCH and MACH) This will be decided by a vote of the board of directors. Recommendations for a Special Award should be submitted to the president

Any dog earning a title during the year will also be recognized at the Awards Banquet.

This system of awards will become effective with the 2003 calendar year.

Deadline for submitting score sheets is June 20, 2011
