Jerry Rosenberg

1942 ~ 2011

As reported in our previous newsletter, long time Club member and a Past President,

Jerry Rosenberg, was diagnosed with acute myeloid leukemia in August. He had been undergoing treatment for nine weeks in Phoenix. He was then transferred to a rehabilitation hospital in Prescott Valley, where after a week or so, he got to go home. He then needed another week of chemo back in Phoenix, and returned home on Friday, December 2nd. He sounded terrific when I spoke with him that evening. The next morning, Jerry didn't feel well, so Barbara took him to emergency in Prescott, where they kept him monitored for his blood pressure, among other things. They returned home in mid-afternoon. With a great deal of difficulty, Jerry made it into the house from the garage. After asking for the monitoring device for his vital signs, Jerry peacefully died while Barbara was retrieving the monitor from the other room. Emergency crews were unable to revive him.

A memorial service for Jerry was held on Friday December 16th. There was a lovely slide-show presentation of Jerry's early life, when he was racing cars, with his beloved dogs, and of course, with him taking aim with his guns.

Jerry was born in New York City on July 29, 1942. His family was in the dry-cleaning business; he continued in this field long after the family business was sold, calling on customers he had known since high school. He was an accomplished skeet shooter and traveled the country to participate in matches. He competed in time trials on the Los Angeles car racing circuit and would read car magazines from cover to cover.

His love affair with Brittanys began in the late 70's when he acquired "Windy" from his gunsmith (Al Capone by name). She went on to become Jerry's first Dual Champion.

He leaves behind, not only Barbara, but his beloved Brittanys, Candy and Buckey (the puppy he got in June), as well as the little "thrown-over-the-fence-dog", Mac.

Olav Hashalom, Jerry.

California Brittany Club Fall Field Trial

Spanish Ranch, New Cuyama, CA

October 28-30, 2011

By Linda McDonald

The CBC fall field trial was held at Dan and Pam Doiron's historic Spanish Ranch in New Cuyama, CA on Oct. 28-30, 2011. The weather was typical fall weather: warm days, cool nights, sunny, usually breezy and clear. Chairperson Paul Doiron and Peggy Doiron along with secretary Myra-Dawn Ellis worked diligently for many weeks to plan the event. The single course followed a canyon that meandered gently up the hill near the ranch house through beautiful oak trees and chaparral. Bountiful native quail supplemented with planted birds provided lots of bird work, especially in the mornings. Deer were sighted by the gallery and bear sign was seen by some.

Thanks to the dog wagon pulled by Dan Doiron's tractor, every brace could be enjoyed by all due to the efforts of Mark Ambre, Mark Nunez, Joe Gower, and Tom White who drove tirelessly to be sure that everyone could safely see all of the action on course. The dog wagon ride did turn a bit "E-Ticket" when the ball on the tractor disconnected from the hitch, not once, but twice. But, since no one was hurt, only some funny memories were made and the riders all bonded over the experience. Bird planters Ed Dixon, Mark Ambre, Bill Landress, Mark Nunez and Tom White went to all of the right places to plant the birds. Judges, John Cushing, Ellis Herz, Michael Vaz, Ed Dixon and Bill Landress stayed in the saddle long hours each day to carefully assess each brace.

The ranch not only spoils us with its course and bird work but with its cabana that was made available to us. It comes complete with a full kitchen, barbeque pit, wet bar, and fire pit. Margaret Horstmeyer, Christine and Bob Landerholm-Miller, Cindy Leffingwell, Joy Ory, Kim Nunez and Linda McDonald easily followed Peggy Doiron's superbly planned meals that were so well organized by Myra-Dawn Ellis.

All of the meals were an event at the cabana but none could be topped by Saturday's gala celebration. It was launched by our Happy Hour to honor the dogs that finished a title. **FC Finale's Flyin' Colors**, "Darcy," owned by Myra-Dawn Ellis, **FC Smokin Grand Finale**, "Moki," owned by Mark Ambre, **DC MB's Make Mine a Double**, "Mac" and **DC MB's Ruby Red Tequila**, "Ruby," both owned by Bob and Christine Landerholm-Miller, and **FC Firestorm's Mega Chip of Smoke**, "Chip," owned by Mark and Kim Nunez. All these dogs were handled by Paul and Peggy Doiron. Last but not least, **AFC Scipios Micro Twist**, "Skeeter," owned and handled by Ed Dixon and Linda Dixon.

The celebrants' owners provided delicious hors d'oeuvres and cocktails to be enjoyed while people watched the annual Halloween costume parade planned by Deborah Frane. Children and dogs dressed in their costumes and paraded through the cabana. Treats were awarded to all participants. Mark and Kim Nunez cooked an incredible dinner of fried turkey with all of the traditional fixings that was topped off by a cake to honor our new champions celebrated at the happy hour. A raffle, pulled together by Linda McDonald, allowed attendees to win some great prizes to top off their evening.

Sporting Group Breeders Award Presented to Agnes & Joe Rodrigues by Santa Barbara Kennel Club

Article & Photographs by Deborah Frane

Joe and Agnes Rodrigues were the 2011 recipients of the Santa Barbara Kennel Club Sporting Group Honored Breeders Award. As a show of support CBC supported the entries for Sunday's SBKC show. Several members of CBC and SDBC attended the show doubling the entries of previous years. Joe, Agnes and friends enjoyed a wonderful exhibitors dinner Saturday evening during the Breeders Showcase. Thanks to SBKC the honorees and guest enjoyed a ringside table. It was a wonderful evening of beautiful dogs, stories and laughter.

The ceremony was late Sunday afternoon, August 28th prior to Best in Show. As their names were announced, Mr. Desmond "Desi" Murphy escorted Agnes and Joe to the podium. There was a brief history of their accomplishments during the presentation of a beautiful silver framed certificate followed by a loud applause from the audience.

Everybody has their story of how we became Brittany enthusiasts; the following is their story.

In the early 1960s they started in obedience with two mixed breed dogs. Following the loss of their daughter to Leukemia they felt they needed to do something to replay the care they received at City of Hope. Through obedience clubs they worked with the International Guiding Eye for the Blind, a guide dog organization. Eventually, they realized a purebred dog was essential to continue with council meetings and judging. When Joe met Nancy Hewitt and her Brittany at an obedience event he decided a Brittany was the breed for them. In 1971 Joe surprised Agnes with a six week old Brittany puppy for her birthday while she was expecting their sixth child, Amy. Joe felt a purebred dog would help Agnes return to working with dogs after the loss of their son in an accident.

Their first Brittany CH Roja's Fancy Meshala CDX was purchased for \$55.00 from the classifieds. After a close friend suggested she should compete in conformation she was evaluated by their soon to be mentors, Merle and Jack Russell with Greenfield Kennels in Bakersfield, CA. Agnes trained and handled one of Jack's dogs, Storm to his CH title and received the Novice Top Dog of Southern California award. Following her success with Storm, Agnes handled the Russell's Champion, Duc, CH Greenfield Le Duc De Canelle in BOB. Duc and Amy both 9 years old coveted the National Champion title at the 1980 ABC Nationals.

Agnes continued to show and finish Duc's daughter, DC Greenfield Wind Song, owned by Jerry Rosenberg, Duc's son, CH Mislu's Louisiana Purchase for their first Best in Show winner. Seven bitches from Greenfield, Millette, Cimmaron, Mizlu, De Colline, Be-Line and Verlyn Kennels to Dual, BIS, BISS, National, Field, Futurity, Sweepstakes and Group placements. The following generations produced two Duals with Dave and Lynda Evans, one Dual with Jim and Mary Crawford, two Duals with daughter Linda Langford and one dual with Robin Tomasi.

Joe and daughter Linda were the field trailers of the family. Linda Langford continues to show, field trial and judge. Linda bred their first Dual Champion, DC CH Amt Fld CH Roja's Gambling Chips, "Vegas". His two Duals are DC Am Fld CH Kismet, owned by Linda and DC Sovereign Copley Kiss My Chips, "Zelda" owned by Robin Tomasi. During their competing years, Vegas and Zelda were ranked in the top ten Brittany Gun Dogs and Show Dogs. Their daughter Amy Rodrigues Booth is a professional handler with her husband Phil.

Their participation in the California Brittany Club has given them the opportunity to participate in the show side of multiple duals. Two notable dogs in that category are National CH DC Am Fld Ch Jumpin' Jack Flash II, owned by Bob and Rozanne Woelm and National CH DC Am Fld Ch Microchips of Nutmeg owned by Margaret Horstmeyer and Tom White.

I asked Agnes what is their greatest success and without a pause she said "their family." This has always been a family affair teaching obedience classes, handling classes and grooming. They continue to work with International Guide Dog recipients, participate in AKC Judges Training Research and Development and mentoring judges. Congratulations Joe and Agnes on your Honored Breeder Award!

Now Here This

GCH CH TK's Good Golly Miss Molly JH CD CDX)

From Carl & Dena Miller

Molly received her 25th point on January 8th 2011 at Palm Springs and was awarded her title as Grand Champion.

In 2011 Molly began competing in the Open Obedience. On Sep-

tember 25th at the Santa Ana Kennel Club, where just a year ago at the same show Molly received her Novice Obedience Companion Dog title (CD), she completed her Third Leg and 1st place in the Open Obedience Class with a score of 193 1/2 and was awarded her title of Companion Dog Excellent (CDX).

This November we took Molly to Western Kansas for Pheasant season. We returned with 25 Pheasants and 19 Quail. Molly did quite well (of course I am partial) so we are looking forward to the upcoming hunt tests. Molly has 1 leg of Senior Hunter and we will be looking for the last 2 legs to complete her next title of Senior Hunter (SH).

From Nancy Reardon ~ *Premier's All About Avatar* (aka "Joe") finished his Championship with a 5-point major on December 9 at the Shoreline Dog Fanciers of Orange County Dog Show. Way to go Joe! A big "thank you" to Judge David Flanagan, and many thanks also to Kathy Grayson and Roger Kibbee (and Katrina) for expert handling.

Our Wonder-Boy Tanner

We are very proud of our little man, Tanner (**Whisper Ridge 'N Battlept's Spy Game**)

With only an hour or so of training 1 day on some pigeons, Tanner attended his first Hunt Test on Nov 19-20 at just 6 mos and 8 days old. He was quite enthralled with the horses...they were the biggest, funniest looking Brittans he'd ever seen...not to mention he had no idea what a quail or chucker was, but he proceeded to pass both legs with all 8's. The following weekend he passed his next leg with 8's and 9's, and his final leg with all 9's~!!! Tanner became a new JH at just 6 mos & 15 days old....what a puppy!!!

His very first show was Shoreline/Malibu in Costa Mesa where he went reserve to a 5 pt major, and also a Best Bred By, followed by a group 3 in the Bred-By Sporting Group.

We couldn't be prouder of this puppy and are looking forward to great things with him in the future. Way to go Tanner~!!!

The Frane Boys ~ Oscar & Rocket

The Frane's Oscar, **Brigade's Oscar De La Britt SH**, (Burford's Booked First Class x Maison De Chasse Magnifique) placed 2nd in Amateur Gun Dog at the CBC Field Trial. Oscar earned his 4th Master Hunter leg earlier that month at the GSPSD Hunt Test.

Rocket, **GCH Brigade's Hi Hopes Rocket JH**, (FC AFC Burford's Booked First Class x Maison De Chasse Magnifique) placed Best of Breed at the San Gabriel Valley Kennel Club show and Select Dog the following day at the Antelope Valley Kennel Club show.

NAFC Spanish Corral's Sundance Kid

(NGDC/FC San-Dee's Blazing Shane X FC/AFC Stevix Bulletproof Jill)

Flying to Booneville to handle his dog, Sonny, Joe Gower, returned to California as the owner /handler of the ABC Amateur All Age Champion!

Sonny ran on the second day, which experienced a "water delay." Unfortunately, Joe had to return home prior to the final announcements. We're sure his excitement could be heard all the way back to Booneville. All his winnings could barely fit in Paul and Peggy's horse trailer ~ new saddle, trophy, ribbons! Thanks to Tom and Margaret for providing the "taxi" service in getting Sonny to the event.

Congratulations to Joe and Sonny!

NATIONAL AMATEUR ALL AGE RUNNER-UP

DC/AFC MTB CABO RITA de SCIPPIO

Rita is the 2011 Runner Up National Amateur Field Champion! She won this prestigious title in November in Booneville, AR at the ABC National Amateur All Age Championship. Rita had seven spectacular finds and a run that had the judges sitting up in their saddles.

This placement, along with her participation and placement in the National Specialty Show, won her the coveted title of ABC National Dual Dog. Both her parents: Sammy and Emme have won this award as well as her grandfather, Tequila Joker, thus making her a third generation Dual Dog! Rita also won the Christy Feather Duster Award as the highest placing female in the Nationals.

We are very proud of our girl! Margaret Horstmeyer and Tom White

We wish Dan a very speedy recovery. Don't laugh!

Steve Quesenberry is a new member living in Hanford. He retired after 30+ years with the USDA in 2005, and is enjoying the much slower pacer of retirement.

His new puppy, Rocky (officially, ***G ROCKYFELLER DE PAYS DE SOLEIL***) is now a 7 month old, and Steve's sixth bird dog with the same

name. Steve started with a Brit back in 1972 then moved on to Springers for over 23 years. Now he's hoping he'll be able to keep up with the new guy. Rocky is a French Brittany that Steve acquired from SunCountry Bretons in Phoenix. Steve wants to try his hand at helping his "hunting buddy become the best dog possible."

Kay Fike is also a new club member who lives in Santa Maria. Their new Brittany is "Roxy." Her "fancy" name is ***Gambler's Blaze'n Gunn***, whose pedigree includes Gamblers Ace in the Hole, Beans Blaze, Shady's Chik-N-Little, and Nolan's Last Bullet. Her sire is NAGDC/NGDC/FC/AFC Peter Gunn. With these credentials, they're anxious to see how she does in the field events.

Jon Lee is a Brittany breeder from Annabella, Utah. (Not far from Richfield, UT). His "Suzy" girl won the Open Puppy stake at the Skyline Brittany Club trial in September with Ben Garcia doing the handling. At another trial, she and her littermate, Tucker, took third and second place respectively.
