

California Brittany Club

President's Corner

By Linda McDonald

We are coming into the dog days of summer when our Brittany's seem to have more energy and get more afternoon naps than we do! Our specialty show on Memorial Day weekend was a huge success, thanks to 2nd VP Sue Richards. Congratulations to all of the winners!

Many club members went to San Francisco to go "hippy dippy" at Woofstock to participate in 4 days of peace, love, dogs and the ABC Summer Specialty, a national event. We had a groovy time! CBC Brittany's made a great showing and took home a lot of ribbons, so congratulations to all of those winners and placements! Our club rocked it up in Northern California!

This summer gives us a chance to enjoy some unique CBC events. Our Annual Awards and dinner is coming up on July 24 in the Miller's airplane hangar. Sh, sh, sh...the winners are a big secret and there are some unexpected surprises afoot! Our Willie Match, an event unique to CBC (and to AKC) will be held on August 6th. It is a fun match for our Brittany's. More specific information should be coming soon! Jeri Conklin, our 3rd VP, works very hard to ensure that both of these events are a success. I know she needs volunteers to help pull these together so please email her or call her to let her know how you can help out. I hope to see all club members come out for these events for fun, friendship, frolic and celebration of our Brittany's.

Remember to use our CBC Facebook page to share all of your summer fun with your Brittany. It is a great place

to let everyone know what fun activities or events you have shared together. Please get your brags into Hillary Herrera for the newsletter as well. Take a peek at our website as well. Flyers for the summer events will be posted there. We are still working hard to update our by-laws and that will be posted there also. Our club's social media is wonderful and needs to be accessed by all.

Let's enjoy the fun and different CBC summer events because soon the fall field trial will be here! Camp H in California City, CA will be this year's venue for the fall trial - Oct 28, 29 and 30. Helpers will again be needed, both experienced and inexperienced. I look forward to seeing you all out there.

Let's have a great and memorable Brittany summer!
