“The Brittany Forever a Dual Dog”

SUMMERTIME FUN...

It's been an exciting year so far, hasn't it? The year is flying by and our members have been very busy enjoying all kinds of activities and events with their Brittans. Way back in January we hosted a very successful field trail and double/double hunt test. Our dogs have performed superbly in the show and field each and every month up and down the West Coast. The Pet Expo showcased our dual dog and the Mission Circuit brought Brittans from across the country to participate in the three specialty shows and one supported event over the Memorial Day weekend. On top of that, we have members who've been working their amazing dogs in agility, obedience and other performance events.

While summertime typically sees activities slow up, training and some conformation events continue throughout these hotter less hospitable months. The Willi Match is coming up the first weekend in August, a great fun event with our dogs and will be a really cool time thanks to Christa Wedel who is hosting it at her home in McFarland. Christa says to bring your Brittans, share a dish and bring bathing suits to enjoy the pool. Looking forward to seeing everyone there!

2919 AMERICAN BRITTANY CLUB SUMMER SPECIALTY

Summer Specialty weekend is a wrap! We had a great 4 days of shows and entries at all the shows. We were able to also hold a very good judges education session and provided ringside mentoring each day as well. I'd like to extend a huge thank you to the show committee

Do you know Rick Affuso? Rick is a New York native and above all thing he will tell you his passion in life is all about the American Brittany. This is a Project Upland Original Film!

and everyone who helped to make this a great weekend. This event couldn't have happened without you all. Congratulations to all the winners!

Thanks,

-Jacqui Campbell, ABC SS Chairman

2019 CALIFORNIA BRITTANY CLUB SPECIALTY SHOW RESULTS

Pomona, CA May 26, 2019

The California Brittany Club held its annual specialty show at the Mission Circuit cluster of shows in Pomona, California hosted this year by the Los Encinos Kennel on May 26, 2019. We had an incredible turn out thanks to co-hosting with the San Diego Brittany Club, the 2019 ABC Summer Specialty. There were 68 Brittany's entered over the 4-day weekend, the largest breed entry for the cluster this year. Whomever said, "It never rains in Southern California ..." got it wrong! Our normal beautiful sunny California weather was absent a couple of the days.

Still, a good time had by all and we had a very successful show and weekend. Our Sweepstakes judge was Mrs. Amy Booth and the Regular classes were judged by Mrs. Kathy Lorentzen. The trophies were beautiful woodworks engraved with Brittany's by Roger Kibbee and artfully displayed by Peggy Echavarria. We had a combined entry of 67 Brittany's on Sunday, including Sweepstakes entries.

Our Northern California neighbors once again brought the Best Of Breed - GCH RIVER RUN NOBODY DOES IT BETTER SH, o Gail Easter & Joel Dannewitz. Best Opposite Sex was the Veteran Dog GCH SANBAR'S RIDE THE WINDS, o Robert West, Polly West and Carolyn West and Wayne Pepin.

Greg Lampman and Kurt Conklin laid out a table of delicious sandwiches and chips and everyone was invited to lunch and comradery. Club members brought salads and dessert that CBC club members and Brittany exhibitors alike enjoyed. Our 2018 Dog of the Year Awards were presented and our General Membership meeting was held with a nice attendance. Thanks to Karey Lampman, we had a nice basket raffle entry!

Congratulations to all of the winners at our show and Dog of the Year Awards. We look forward to seeing everyone again next year, even those Northern California Brittany Club members who came down and walked away with Best of Breed second year in a row!

Thank you to all of the Brittany community from across the United States that came to play in Southern California. You all brought some beautiful Brittany's for us to enjoy up close and personal.

A huge thank you to our volunteers that worked tirelessly to pull everything together at the last minute!

PERFORMANCE BRITTANYS

The month of May brought out the performance Brittanys along with the show dogs. Several dogs had memorable outings.

French Brittany Nero (Nero Notte de Stonehill Jammer) attended the Altadena scent work trial on May 11th and 12th with great results. Owners Matt and Stephanie Reed reported that on Saturday he earned the last leg of his novice exterior title, which completed his Scentwork Novice (SWN) title. Along the way he also placed 3rd in Handler Discrimination, earned the first leg in Advanced Interiors, and second leg in Advanced Containers.

Nero returned Sunday to earn his 3rd leg in advanced Containers and placed second in Advanced Buried and 4th in Advanced Interiors.

Brittanys didn't ignore agility either. At Fairplex in Pomona on specialty weekend, M.J. Turner's MACH5 Fast Eddie lived up to his name, earning qualifying scores all four days. On Saturday he scored a double Q, meaning he qualified for points in both Standard Agility and Jumpers with Weaves, and he also placed 4th in Jumpers on Sunday. Being able to put that MACH in front of his name required lots of training, competing, and winning, all within certain time limits, and always requires a clean run (no errors) to earn points. No small accomplishment!

Nancy Hewitt's Cruise, working toward his Obedience Trial Championship, also had a good weekend in Pomona, and I'm hoping she'll fill in some details for us.

Not far away, in Claremont, Rowan (Oakhill It's About Time) was tending to scent work business in a four-day trial, close enough to Fairplex that we were able to go support the specialties each day after completing our scent work searches. Rowan made good use of her time, earning 10 qualifying scores in her 12 searches, including four 2nd place finishes, one 3rd, and one 4th. Even better, she finished her Advanced Exterior title, and qualified on three consecutive days in Advanced Buried to finish that title and her overall Scent Work Advanced (SWA) title.

As impressive to me as her scores was the way she completed her very first search of the trials. She had two minutes to locate two different hides in the array of 15 containers of various types and sizes. She quickly found the first hide and continued checking for the next one. Suddenly she jumped aside and sat down, frantically biting at her rear foot. Something had stung or bitten her between her toes, obviously very painfully. Every time she tried to stand up she immediately sat or laid back down, licking and biting her foot. Then she stood up, holding her foot high in the air, and completed the search, locating the second hide while searching on three legs! It was nearly an hour before she was able to fully put her weight on that foot and continue in the competition. There was never any visible wound, but no doubt that it was abrupt and it hurt. Rowan was not about to quit before finding that last hide. Brittanys clearly possess true grit!

Rowan

Thanks to Sharon Kalionzes for getting the agility information for me (along with some help translating those pesky abbreviations). Don't forget to send me your stories and brags about those great performance Brittanys at jeanganton@aol.com .

BRAGS

FROM Jacqui Campbell - Freya's official win photo from the Inland Empire KC. Thank you Mrs. Jean Austin for the breed win and group placement.

Freya

FROM Brian Jean - Jazz had a good day Sunday. She took 4th in a field trial in Portland Oregon. A professional ran three dogs and took 1st and 2nd. 3rd went to a local legend who has been

Jazz

training dogs for over 50 years (who I met and is a really nice guy — gave me a few helpful pointers). Jazz took 4th behind some serious competition. Couldn't be more proud of her. Spent the weekend with Jacqui Campbell and her husband Ben. Ben REALLY knows his

stuff with field dogs and was gracious enough to take Jazz and I out for some training. Thanks!!

FROM Jeri and Kurt Conklin – We'd like recognized our very own CH Camelot's Coppers Rollin' Four Dice JH who went BEST OF BREED down in New Mexico at the Durango Show on May 19, 2019. Thank you Judge Robert Shreve for recognizing our Dice and Jennifer for building a great bond and team to show him off! And then on June 15, 2019 at Bahia Sur, he did it with Emily Montoya. Thank you Judge Patricia V. Trotter for recognizing our handsome man.

NEW BOARD OF DIRECTORS

During the General Membership Meeting held in Pomona on May 26, 2019 the following slate of officers were voted in unanimously with a full quorum: President – Kurt Conklin, 1st Vice President – Ed Moody, 2nd Vice President – Cathy Magoon, 3rd Vice President – Christa Wedel, Secretary – Kris Sandberg and Treasurer – Hillary Herrera. Thank you to all the volunteers and I look forward to working with this team as we move through the next year.

Of significance, as a part of the General Membership Meeting, terms of office for the Board of Directors was changed from January – December to July – June starting July 2019. Additionally, terms are two years in length and split as follows: President, 2nd Vice President and Treasurer run for one year (this coming year only) and 1st Vice President, 3rd Vice President and Secretary are addressed on alternate years. By-Laws are being updated to reflect this change.

NEW MEMBERS

Let's welcome our newest member from Los Osos...Karon Cushing!

SPECIAL THANK YOU

As we close out this Board of Director's term, I'd like to recognize and thank Peggy Echavarria for her extraordinary service as CBC Secretary. Without her amazing efforts and attention to detail we could not have been as successful in moving the club to the healthy status it has. The position is challenging and she handled it with ease. Thank you Peggy and we wish you and Don the best as you transition to a new chapter in life.
