

CALIFORNIA BRITTANY CLUB "The Brittany Forever a Dual Dog"

LET THE FUN BEGIN

While the seasons never rest and dog activities never cease, September seems to be the perineal beginning of a new and very active dog eventing season. With the coming of fall the temperatures drop and the activities ramp up once again. Crisp mornings, comfortable afternoons and starry starry nights (for those of you roughing it in your \$150,000+ motor homes or RVs) make for a refreshing time to get out and about with our best friends. Hunting seasons open around the country and whether you're hunting, showing, performance eventing, obedience or field trialing...our Brittanys are ready for the fun and it is fun, right?

It's going to be a busy time and I want to encourage everyone to come out and support our sponsored events next month. Many thanks for Paul and Peggy Doiron, Myra-Dawn Ellis and Dan Doiron for hosting the 2019 Fall Field Trial at Spanish Ranch west of New Cuyama, CA. It's a great annual event and as an added bonus, Dan's

invited Dave Stamey to entertain the crowd on Saturday night. It'll not only be a great evening, it'll be a great weekend!

Volunteers are always appreciated, and I encourage you to trek out to help Paul and Peggy at the Field Trial. Many hands make light work and there's no end to the help you may provide. From marshalling at start line to helping serve judges lunch, no one's efforts will be refused. Another unique aspect of the Spanish Ranch venue is the dog wagon. Non-participants can ride on the dog wagon and watch the dogs running the course while riding parallel across the ridges.

FALL FIELD TRIAL

This year's 3-day Fall Field Trial will be returning to the Spanish Ranch in New Cuyama, October 12-14, 2019. Paul Doiron, the Field Trial Chairman, invites everyone to come out to the amazing trial grounds with beautiful vistas for an amazing event. Saturday night will be exceptionally special with Country Entertainer Dave Stamey, Cowboy Laurette and Poet, providing an evening of great entertainment. Come out and enjoy the competition, the friendship and fun. As a bonus, the Southern San Joaquin Brittany Club will be hosting their 4-day trial starting the following Thursday, October 17-20. CBC premium is attached to the end of the letter. (Map included below)

COWBOYS AND INDIANS MAGAZINE HAS CALLED HIM "THE CHARLIE RUSSELL OF WESTERN MUSIC." WESTERN HORSEMAN MAGAZINE HAS DECLARED HIS "VAQUERO SONG" TO BE ONE OF THE GREATEST WESTERN SONGS OF ALL TIME. TRUE WEST MAGAZINE NAMED HIM BEST LIVING WESTERN SOLO MUSICIAN FOUR YEARS IN A ROW.

Dave Stamey

DAVE STAMEY HAS BEEN A COWBOY, A MULE PACKER, A DUDE WRANGLER, AND IS NOW ONE OF THE MOST POPULAR WESTERN ENTERTAINERS WORKING TODAY. HE HAS BEEN VOTED SEVEN TIMES ENTERTAINER OF THE YEAR, SEVEN

IN NOVEMBER OF 2016 DAVE WAS INDUCTED INTO THE WESTERN MUSIC HALL OF FAME.

PERFORMANCE BRITTANYS

Well, as promised, Rowan made her return to the rally ring after a year of concentrating on scent work. As my scent work mentor, Noah Gaines, says, one of the biggest mental differences between scent work and obedience is that in scent work the dog is in charge and leads the way, whereas in obedience the dog is following the handler's lead. At least, that's what I kept telling Rowan during her first and second year while we tried to learn rally/obedience exercises. Since she has tremendous drive and really struggles with heeling, no matter how briskly I walk, I was concerned that a year of scent work was going to make her even more reluctant to slow down and heel next to me on a loose lead.

Once again, Rowan proved that Brittanys are more clever than we sometimes give them credit for. We arrived at the show site an hour before classes began and strolled around the big grassy field, winding among the tents and set-ups and checking out the grass for possible gopher sightings. Then Rowan returned to the car to relax while I walked through the course several times. As is frequently the case at rally matches, there was only one course set up, with all four levels running in the same area. At each exercise spot there were from one to four signs, with colored post-it strips designating which instructions were meant for each level. I knew at that point that the biggest problem was going to be the handler (me) picking out the correct action at each of the seventeen stations. When our turn came we started out fine, with Rowan downing promptly at my command at the first station and then returning to heel forward. I found the correct sign at all but two spots, repeating those two successfully as soon as I realized I was starting the wrong action. We finished the course in reasonably good shape, earning a "well done" from the judge. It was at that point, exiting the ring, that it occurred to me that not once on the course had I needed to call Rowan to slow down or speed up or get back to my side. Every mistake on course was mine... Rowan knew exactly what she was supposed to be doing. Leading the way on scent work searches for a year not only didn't hurt our obedience performance, it actually taught her to pay more attention to me!

On the scent work front, Nero spent some time up in the Big Bear area and competed very successfully in another trial. He and owners Matt and Stephanie Reed placed second in exteriors and third in containers, both in the advanced level, while completing titles in interiors, exteriors, handler discrimination, and overall Advanced. Great work, Nero!

Unfortunately, Nero had a tough time afterwards. They stayed in a cabin right next to the lake and Nero spent a lot of time swimming and splashing in the water. Saturday night he became seriously ill with diarrhea, not eating, and lethargy. He was put on multiple medications and recovered fully, but not before he lost five pounds. All of this happened right after I had seen a news story about numerous dogs becoming ill or dying after swimming in lakes with blue-green algae. Sounds a lot like what happened to Nero and when I went online and found a long list of lakes in California where the algae is present, I discovered that Big Bear Lake is one of them. Many of you may already have know about this danger, but for those of us who hadn't heard, this is a real wake-up call.

Stay safe and enjoy those wonderful dogs in all their varied endeavors!

Jean Anton

P.S., There are plenty of obedience, rally, and scent work trials coming up, so hopefully there will be new wins, points, and qualifying runs to share next month. Don't forget to send me your stories and brags about those great performance Brittanys at jeanganton@aol.com.

BRAGS

Unfortunately, I've received NO brags this month. Come on folks! I know there's a lot of things going on out there...feel free to share. Send me an email and pictures and we'll share with the whole club.

SEEKING HELP FOR SPRING FIELD TRIAL

We have an opportunity to grow the Team and pass the baton. Due to unforeseen circumstances Kurt and Jeri Conklin's ability to participate in these events has been dramatically constrained. With a strong membership base the CBC needs your help supporting the Spring Field Trial, scheduled for January 24-25/26 at Camp H. As the 1st VP, Ed Moody will lead the overall effort to make our field events spectacular, but he needs help filling the single most important role to a successful field trial. He needs a Field Trial Secretary immediately. If you think you'd like to help the CBC keep our field trial a premiere event please contact Ed, Kurt or Jeri. This is a great opportunity for a new team to pick up the reins and make this event even better. Kurt and Jeri will provide support and mentoring to the new team while transitioning responsibilities.

CONTRIBUTIONS TO THE NEWSLETTER

We are always looking to brag about our accomplishments...I can't brag on you if you don't first brag to me. So, please send me your accomplishments, victories...adventures. Also, if you'd like to share something with our fellow members, feel free to become a contributing editor/author. Pass on your great stories to our members.

Dave Stamey Cowboy Entertainer

Cowboys and Indians Magazine has called him "the Charlie Russell of Western Music." Western Horseman Magazine has declared his "Vaquero Song" to be one of the greatest Western songs of all time. True West Magazine named him Best Living Western Solo Musician four years in a row.

Dave Stamey has been a cowboy, a mule packer, a dude wrangler, and is now one of the most popular Western entertainers working today. He has been voted seven times Entertainer of the Year, seven times Male Performer of the Year and Five times Songwriter of the Year by the Western Music Association, and received the Will Rogers Award from the Academy of Western Artists. He's delighted audiences in twenty three states, and finds that he prefers this to being stomped by angry horses.

In November of 2016 Dave was inducted into the Western Music Hall of Fame.
